The Dundalk Collection is the original Red Cedar range of home and backyard products that our distinctive quality reputation was founded on. This Collection offers many styles and sizes of products to satisfy any taste.

Panoramic Sauna

This spectacular Panoramic Barrel Sauna offers you the opportunity to relax while enjoying the amazing view. The prefab sauna is construction of 1 1/2" / 38cm thick Clear Western Red Cedar which offers natural insulations. There is a variety of sizes and options available to create your ideal configuration for your sauna experience

Barrel Sauna

Cedar Barrel Saunas are offered in both Clear Western Red Cedar and Knotty Red Cedar. The unique round design gives you a smaller heating area to heat up compared with rectangular saunas. With options such as size, diameter, porch, changeroom and more, you can create the sauna of your dreams.

Pod Sauna

This organic rain-drop shaped outdoor cedar sauna has many benefits including larger floor space, less space to heat up at the top and optional large windows. Adding the option of a porch or changeroom to this sauna will make it perfect for your family to use year round.

Mini Pod Sauna

This Outdoor Mini Pod Sauna with its unique rain drop design is perfect for locations with less space available. Made of Canadian Red Cedar, this quality sauna kit is easy to install and enjoy. As with the bigger Pod, you still get the options of a porch and change room to ensure that you have everything you need when using the sauna.

Luna Sauna

This wonderful soothing designed outdoor sauna has gently rounded corners for added appeal. The various seating options and large front windows give you lots of interior space to enjoy. The various sizes and optional porch are perfect for any family to enjoy year round.

Outdoor Cabin Sauna

The Outdoor Cabin Sauna brings all the traditional beauty, functionality and relaxation of the classic traditional sauna. Various sizes and options including 2 tier seating, windows, shingles and heaters make this Cabin Sauna the perfect choice for your deck, cottage dock or backyard.

Indoor Cabin Sauna

This Indoor Cabin Sauna is perfect for those people who want a smaller sauna located indoors for quick and easy access. Constructed from Clear Western Red Cedar and available in sizes from 2 to 6 people, this sauna is a great solution to get the health benefits indoors. 2 tier benches and L bench layout are available.

Outdoor Showers

The Outdoor Showers are perfect to rinse off after a sauna, hottub, swim or just to cool off after being active. We offer a variety of styles from the slim open air Sunlight Shower to the square Clouburst and the Barrel Rainbow style. The showers come with optional hardware to ensure you have the water to enjoy cooling off.
