About Us:

Leisurecraft is a family owned Canadian manufacturer that is located in Ontario, Canada. We produce quality solid cedar saunas, hot tubs and cold plunges for all climates.

Our growth has been attributed to quality products and outstanding service. With retailers across Canada, USA and Europe we can meet our customers needs.

We are an eco-friendly company that buys wood from replenishing and sustainable mills that take the environment seriously.

We look forward to the future with many new concepts to come along with improved efficiency and lowering our ecological footprint.

NE 6110/2

The **Neptune Sauna** made of either Clear or Knotty Western Red Cedar brings the outdoors inside with its large impressive glass front. Surround yourself with nature in this spacious interior with fully insulated floor, walls and roof. The black metal siding , EPDM on the roof and western red cedar interior makes this modern sauna the perfect design for any backyard.

HU 6112

The **Hudson Sauna** is made of either Knotty or Clear Western Red Cedar and combines a modern peaked roof with the black exterior siding to make a unique style. The tempered glass front wall and door, two tier benches and 3" thick insulation in the roof, walls and floor are all standard features in this Hudson sauna. Relax and enjoy this wonderful sauna.

CU550/2

The **CU550/2 Sauna** made of either Clear or Knotty Western Red Cedar is the smallest of this collection that brings a luxurious new class of modular pre-built sauna kits to your home or cabin. Embrace the outdoors with the large double pane tempered glass front window and full glass door. Optional privacy panel can be ordered for the front window.

CU570/2

The **CU570/2 Sauna** made of either Clear or Knotty Western Red Cedar is in the mid range size showcasing an impressive layout highlighted by a striking aesthetic. A complete glass door, flanked by two tempered glass window panels on the front add a touch of sophistication to the design. The two-tiered benches and optional privacy panels complete the look.

CU 580/2/D

The **580/2/D** model made of either Clear or Knotty Western Red Cedar is a large model that has a modern design with an optional outdoor shower in the side section. The sauna has double or triple panes of tempered glass and a full glass door. Optional privacy panles and two tier benches create a calm and relaxing atmoshpere for your family.

CU 670/2/P

The **670/2/P** model made of either Clear or Knotty Western Red Cedar is a large sized model that has an optional elegant porch. The modern design has a full glass door in the middle of the front wall with various panel options to have some privacy. With the two tier benches your family and friends will enjoy the relaxation of a traditional sauna.

PU 550/570

The **CU550/570 Indoor Saunas** are made of either Clear or Knotty Western Red Cedar and come in 2 size with a modern and attractive style. This sauna features a large window panel(s) and full glass door. The two tier benches and optional privacy panels will make this sauna your oasis whre you can relax and enjoy all the health benefits.

Heaters

Choose from our **Wood Burning and Electric heaters** to warm your sauna. All of our heaters facilitate pouring water on the rocks for a higher humidity experience. Wood Burning heaters allow for a delightful aroma and crackling ambiance, while electric heaters ensure effortless operation with minimal maintenance.

Accessories

Choose from our range of **Sauna Accessories** to elevate your sauna experience. Explore a diverse array of accessories designed to maximize your comfort, including backrests, headrests, beverage shelves, thermometers, temperature guages, timers, lighting, essence and many more.
